

Hello Folks at BACC,

This is an attempt at a token of my appreciation for my pleasurable experience and journey here which culminated with the arrival of my little bundle of joy-a cute girl on 19-2-2011.

Firstly, to be mentioned deservedly is Dr.ANU KOTTUR, my chief obstetrician who was a pillar of strength and calmness for many women. Her soothing words allayed many a doubts of mine. Thanks a lot, Dr.Anu!!!

I want to thank both Dr.Revathi and Dr.Shruthi who attended to me regularly and helped me to get my bundle of joy in my hand.

And not to be forgotten, the paramedical and support staffs were superb!!!

On the whole, I want to thank everybody at BACC for supporting me through this journey of mine.....

As the saying goes ''A picture is worth a thousand words'', my daughter's picture enclosed says it all!!!

Thanks again BACC!

Regards,

Smitha Vinay Kumar.
