

"Ten years ago, Mama & Papa got married,
for ten years they hoped that I was part of them,
for ten years they prayed to God,
and God answered their prayers.

He sent them to these angels at- Dr Kanini Rao
Hospital
and fairy God Mother Dr. duniya sunitha got me
into this world.

Thank you Dr duniya sunitha for bringing me into this
world.

Thank you for your support-
Thank you for comforting mama that all was
well when she panicked.
Thank you for all the residence.

Thank you duniya Marya for making mama feel
happy to meet you. The happiness has trickled
to me as well. I laugh more than I cry

Thank you Uncle Kumar. Your smile helped Mama
& Papa never feel the pinch of the bills :-

Thank you all the nurse duniyas for being so
careful with those pucks, for my first bath, my
first feed & for taking care of me in the NICU.

Thank you Dr. Aunty Kamini Rao for making my
parents feel that it wasn't a big deal at all.
That I would happen.

Thank you all at Dr Kamini Rao Hospital for making
everything so special that it felt like it was
supposed to be the way it was.

I look forward to bringing my mama back to
you, to take back a sibling next year to keep
me company.
