I and my Wife Mrs. Shylaja Shiva Kumar dropped to this Hospital on 2<sup>nd</sup> July 2009; it was a day to welcome us with 3 new born babies' parents greeting us with Sweets. It was also *Dr. Kamini Rao's Birthday*. We felt we have come to a *SWEETHOME* and not to a HOSPITAL.

We were given an appointment with Dr. Anu, Dr. Kalavathi and Dr. Veronica, where Dr's took at most care and concern to hear us by giving us Prime importance. Later we were very happy and decided to continue the further check-ups, where later our ANC file was entrusted to DR. SUNITHA the *WALKING MEDICAL DICTIONARY*, who has ALLLLLLLLLL The patience on earth and spent good amount of time clearing ALLL our Doubts. She has given such a wonderful personal touch which can't be expressed in words.

Today we are blessed with a *BEAUTIFUL ANGEL* Who was born on 19<sup>th</sup> Feb 2010 and is ready to go to *SCHOOL!!!*

Our Sincere Thanks also to Mr. Kumar, Ms. Navya, Ms. Pushpa and other Admin staff who were always cheering us up with their bright simile at the Reception counter.

WE NEVER FELT this has a Hospital but *SWEETHOME* because all the nurses treated my wife and baby as one of their sister.

Lastly thanks to all the House Keeping Staff.

SO IT IS "ALL ISZ WELL" . HERE.
